

## BULLYING

The Board believes that bullying, including cyberbullying, is detrimental to student well-being and to student learning and achievement. It interferes with the mission of the schools to educate their students and disrupts the operations of the schools. Bullying affects not only students who are targets but also those who participate in and witness such behavior.

### Bullying Prohibited

Bullying, including “cyberbullying,” harassment and sexual harassment are not acceptable conduct in RSU 16 and are prohibited. Retaliation for the reporting of incidents of such behavior is also prohibited.

In adopting this policy, it is not the Board’s intent to prohibit students from expressing their ideas, including religious, political and philosophical views that may offend the sensibilities of others, or from engaging in civil debate. However, the Board does not condone and will take action in response to conduct that directly interferes with students’ rights at school under applicable laws or with the educational mission, operations, discipline or general welfare of the schools.
