

USE OF PHYSICAL RESTRAINT AND SECLUSION

The RSU 16 School Board has adopted this policy and the accompanying procedures to implement the standards for use of physical restraint and seclusion with students, as required by state law and regulations, and to support a safe school environment. Physical restraint and seclusion, as defined by this policy, may only be used as an emergency intervention when the behavior of a student presents an imminent risk of serious physical injury to the student or others.

State law and MDOE Rule Chapter 33 do not restrict or limit the protections available to school officials under 20-A M.R.S.A. § 4009, but those protections do not relieve school officials from complying with this policy/procedure.

The Superintendent has overall responsibility for implementing this policy and the accompanying procedure, but may delegate specific responsibilities as they deem appropriate.

1. Definitions

The following definitions apply to this policy and the accompanying procedure:

- A.
 1. **Physical restraint:** A personal restriction that immobilizes or reduces the ability of a student to move their arms, legs, or head freely.

 - b. Physical prompt: A teaching technique that involves voluntary physical contact with the student that enables the student to learn or model the physical movement necessary for the development of the desired competency.
 - c. The use of adaptive devices or mechanical supports to achieve proper body position, balance or alignment to allow greater freedom of movement than would be possible without the use of such devices or supports.
 - d. The use of vehicle safety restraints when used as intended during the transport of a student in a moving vehicle.
- B.
 1. **Seclusion:** The involuntary isolation or confinement of a student alone in a room or clearly defined area from which the student does not feel free to go or is physically denied exit.
 2. **Seclusion does not include:**

A list of certified staff shall be updated annually and maintained in the Superintendent's Office, in each school office and in the school unit's Comprehensive Emergency Management Plan. For identification of trained staff, contact the building Principal or Special Education Director.

5. **Parent/Legal Guardian Complaint Procedure**

A parent/legal guardian who has a complaint concerning the implementation of this policy/procedure must submit it in writing to the Superintendent/designee as soon as possible. The Superintendent/designee shall investigate the complaint and provide written findings to the parent/legal guardian within twenty (20) business days of receiving the complaint, if practicable. A parent/legal guardian who is dissatisfied with the result of the local complaint process may file a complaint with the Maine Department of Education. The Department shall issue a written report with specific findings to the parent/legal guardian and the school unit within 60 calendar days of receiving the complaint.
