Carry-on items are restricted to those that can be adequately placed on the student's lap. All others must be transported by parents.

Skateboards, roller-blades, hockey sticks, and similar sports equipment will only be allowed if placed in a zippered duffel bag. No part of the skateboard or roller-blades will be visible at any time during the bus ride.

Students must keep pens, pencils and other school materials inside their backpacks.

Band instruments must be kept in their cases and will not be played on the bus.

Flash cameras will not be used while the bus is in motion or any other time without permission from the driver.
